

## Economical local dial-in numbers

**Now you can save money with local dial-in numbers for teleconferences in more than 30 countries!**

Web conferences just got even cheaper! Netviewer has added 15 new countries to its collection of local dial-in numbers. Now you have a cost-effective way to hold teleconferences with customers and partners in Canada, Brazil, Hong Kong, Japan, Australia, and many more countries. For example, if you are traveling in Brazil and your business partner is in Hong Kong, both of you will be able to dial in to a shared teleconference at local prices.

**Previous coverage:** Germany, Sweden, Austria, United States, Poland, France, UK, Belgium, South Africa, Ireland, the Netherlands, Spain, Italy, Switzerland, globally through Skype

**Local coverage extended to these 15 countries:**

Canada, Mexico, Brazil, Finland, Denmark, Norway, the Czech Republic, Slovakia, Slovenia, Hungary, Greece, Israel, Australia, Japan, Hong Kong

**Refer to page 2 for all local calling numbers and prices.**
